

TERRAFORM

QUASAR I

Fully Automatic

Easy Maintenance

Highest Quality Components

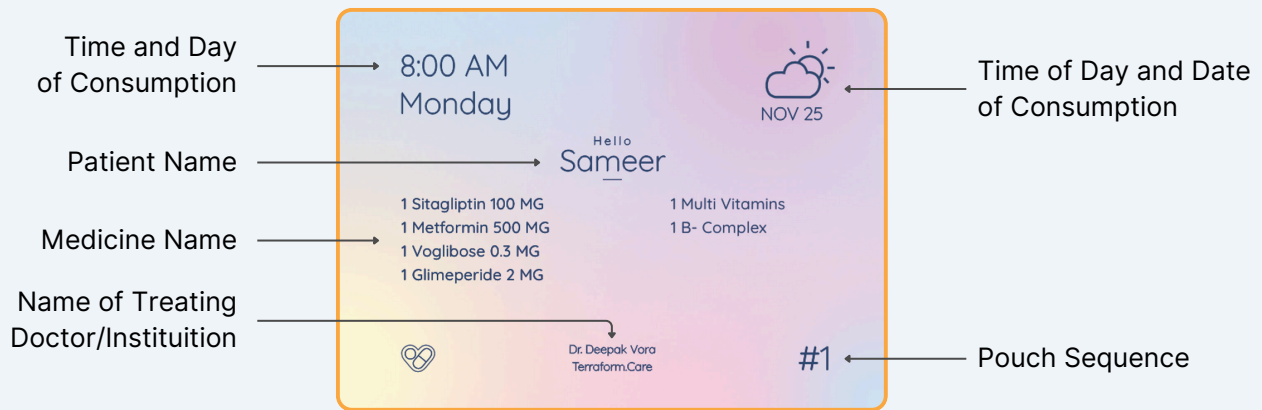

QUASAR I transforms messy prescriptions into smart, tear-off sachets labeled by date and time, ensuring clarity and convenience for patients. At the same time, providers benefit from streamlined operations, fewer errors, and stronger patient retention.

Explore How QUASAR I can transform your Pharmacy

Dose Packed Medications

Patient's Medications are sorted by time of consumption and packed in Easy-to-Tear pouches in the order they are meant to be consumed.

Local Language Printing

Automated Medication Reminders

No Double Dosing

No Missed Doses

Easy to Understand Instructions

Saves time in explaining medication regimen

Key Features

Introducing QUASAR I – Intelligent and Automatic

World Class Quality meets Indian Frugality

All mechanical, plastic, and electronic components are sourced from world-class suppliers and comply with international standards, including USFDA, CE, FCC, ASTM, UL and RoHS certifications.

Accuracy Beyond Compare

Equipped with 2000+ sensors for unmatched precision.

Crisp, Easy-to-Tear Packaging

Consistent high quality, crisp packaging with no effort tearing.

Two Compartment Cassette Design

Dispensing and Storage areas enables quick TAT between stockouts

Simple Replacement of Printer Ribbon

Quick replacement of Printer ribbon ensures Minimal downtime

Easy Cleaning and Maintenance

Unique design for easy and quick cleaning of the machine.

Self Dispensing of Custom Medicines

Dispenses rare or half-cut medicines effortlessly with LED guide.

User-Friendly

60 minutes of training is all you need.

Intelligence Built-In

Self-diagnosing capabilities to prevent issues before they occur.

Space-Efficient

Stores up to 500 SKUs in less than 20 sq ft.

Direct Integration

Seamlessly integrates with any HMIS, PMS or CMS.

Works like a 24x7 ATM machine

IoT architecture can be configured to work like a 24x7 Vending Machine

Custom Printing and Color Options

Customisable Printing Colors and Print Layout Options
